Grand Final - Great Giveback Gameshow

In support of MiTek's global Hearts and Hands week MiTek Vietnam launched the "Great Giveback Game Show". Due to Covid restrictions in Ho Chi Min City, staff were not able to get together to participate in person so an online game show was developed, and staff were encouraged to join in and answer questions across many different subjects. MiTek® PEOPLE

Hi everyone,

MY NAME IS HAC

It is the name of a rare bird. I was born in 1994 and grew up in Binh Dinh province. I studied at Ho Chi Minh city University of Natural Resources and Environment. My hobbies are cooking, travelling, doing some sport activities, such as jogging, and playing badminton on weekends with my Team which helps me wind down after a hard Day at work. I cook whatever I want to eat, travel wherever I want to go and take great photos as a way to save memories of my trips.

- Enjoying sport activity after work

- Company trip 2020

- Receiving lucky money in Tet holiday

- Team photo

I have been working here at MiTek Vietnam since March 2018. I am a member of Boise Cascade team. My responsibilities include I-joint material on floors, roofs, listing materials and sending work to the customer in the USA.

My initial impressions were positive when I went for the interview at the MiTek offices. I saw the facilities, and the professional working environment, as well as the large number of staff here. Based on these first impressions, I knew I wanted to work here. However, my English wasn't good in those early days which I knew would make it difficult for me. I tried my best to improve my English ability. I studied by myself, went to the English center and thanks to the support of everyone, my English has improved.

I felt lucky when I joined the Boise Cascade team. Everyone in my team is so friendly, happy and always supportive. We share experiences with each other to improve our working effectiveness. I also enjoy all the extra activities that we do together so awesome!

Thank you all for reading!!

Huge thank for all your hard work, your commitment to our customers and looking after your colleagues. Please enjoy your Pharmacy voucher and post your photos / comments please.
